# Murph's Nascar Pool Rules 2016

Select **ONE** driver from **Group 1-12**

**Note:** Groups 11-12 comprise of drivers who may race in some or no races in 2016. Please do your homework on the status of these drivers for the 2016 season.

**Entry Fee:** \$10.00 per team. Prize money distribution will be determined by number of teams entered. If we have an increase in the number of entries from last year we may have payout(s) just before the Chase and payouts again after the Chase. We **WILL** be using the Chase points system. I will let you know the payout schedule once I know how many people we have entered this year. The more entries, the more exciting the pool will be with 10 races to go.

- You will receive the points of the driver you are trading up to the trade and the points for the new driver after the trade.

If paying in person please ensure you complete your picks above and attach payment.
